## LETTER OF APPRECIATION AND COMMENDATION (SUPPORT FOR THE PERSECUTED CHRISTIANS)

On behalf of CAN 19 Northern States and FCT, we write to express appreciation to **Lay Faithful Trust Foundation** for its various acts of interventions in support of persecuted Christians in Northern Nigeria. We note with gratitude the relief programs of Lay Faithful to bring succour to our persecuted brethren.

We wish to commend Lay Faithful Trust Foundation to the body of Christ in Nigeria for its Christlike response to the afflictions of Christians affected by the Insurgency going on in Northern Nigeria.

We call on Nigerian Christians to support the efforts to bring relief and restoration to our brethren who have become victims of religious intolerance in Nigeria. We are all brethren in Christ and "If one member suffers, all the other members suffer with it." 1 Cor. 12: 26. **This is a Macedonian call to the Church, "Come over to the North, and help us".**

Christians are encouraged to join in the (minimum) ₦500 monthly contribution to support persecuted Christians in Nigeria. Further details can be obtained at [www.layfaithful.org](http://www.layfaithful.org)

God bless Nigeria, God bless Nigerian Church.

Yours in Christ,
